As a whole, Tackling Japan s Fiscal Challenges is quite balanced. This book is the proceedings of a 2005 conference of economists from both sides of the Pacific, organized by the Ministry of Finance and the International Monetary Fund. About half of the volume is about economic growth, high public debt, and fiscal decentralization.

Japan's Aging Population: Perspectives of 'Catastrophic ...
Abstract. Japan faces four fiscal challenges. Its population is aging. Its economy is stagnant. Its budget is massively in deficit. And the organization of spending and taxing authority between the central and local governments is not well designed to encourage efficient provision of public services.
