~~Reflective Practice in ...~~

The reflective practice

revolves around the

concepts of learning

from different life

experiences. In this, we

Online Library

Creating

analyze our past responses in some situations, the outcomes of your interventions and then you learn from those experiences, so you can make better decisions and responses if similar sorts of cases occur in the future. In reflective practice, you would make a conscious effort to take a right and bright insights from

Online Library Creating

your past incidents so
that you can optimize
the current performance.

~~Reflective Practice—
Meaning And
Importance of
Reflective ...~~

Reflective Practice
includes: being
conscious of the
