is a collection of home affairs and justice policies designed to ensure security, rights and free movement within the European Union. Areas covered include the harmonisation of private international law, extradition arrangements between member states, policies on internal and external border controls, common travel visa, immigration and asylum policies and police and judicial cooperation. As internal borders have been removed within the EU, cross-border

European Parliament~~

08-05-2019 Substantial progress has been made since creating an area of freedom, security and justice became a major political objective for the EU 20 years ago. Still, there is a lack of consistent monitoring and enforcement of EU values and norms as well as outstanding gaps in the EU's framework in certain areas.

different legal systems and traditions of the Member States”.

~~UPDATE—European Area of Freedom Security & Justice~~

Europe’s area of freedom, security and justice is of increasing importance in contemporary EU law and legislation. It is worthy of special research attention because of its high-stakes content (particularly from an individual and a state perspective) and because its development to date has tangentially thrown up some of the most important and contentious constitutional questions in EU law.

placing “the individual at the heart of its activities, by establishing the citizenship of the Union and by creating an area of freedom, security and justice.”

~~The European Area of Freedom, security and Justice : has ...~~

The European Union's area of freedom, security and justice was created to ensure the free movement of persons and to offer a high level of protection to citizens. It covers policy areas that range from the management of the European Union's external borders to judicial cooperation in civil and criminal matters and police cooperation.
