### *The Role of Spirit in Dentistry. - In a Spirit of Caring*

Find joy and meaning in your work. Re-igniting the Spirit of Caring (RSC) engages, renews, and bonds people from all roles and disciplines within an organization. Participants gain insight and expand their ability to care for themselves, their colleagues, and the patients and families they serve. They experience a renewed sense of being part of a health care community called to care for people during times of illness and vulnerability.

Caring For The Human Spirit. Spirituality is an integral part of our human experience. Cicely Saunders spoke about the need to attend to a person's 'total pain': not just physical, but social, emotional and spiritual pain, too. A diagnosis of a chronic or terminal illness forces us to reflect on deeper questions of faith, spiritual belonging and meaning, living and dying.

### *Caring for the Human Spirit — Authentic Presence*

Since 1985, The Caring Place has provided for the basic human needs of all people in our community in a welcoming, respectful and caring way. Through two thrift shops, The Shops at The Caring Place and Second Helping, both in Georgetown, the organization is able to pay all operating expenses to serve a growing community.
