International Cuisine and Food Production Management 3 ...

Food cultures truly have spread to the point where you can now find Mexican restaurants in Northern Thailand, Japanese sushi in the Middle East, and the all-American cheeseburger served up at a street food cart in a small, remote Amazonian city.. As our world becomes more and more connected, food culture is no longer tied down to where it originated from and can spread far and wide.

Food Culture and Globalization - Global Gastros

Food is also a fundamental human right, protected under international human rights and humanitarian law. As with other fundamental rights, the primary responsibility for ensuring the right to food lies with government. All low-income people, regardless of race, experience food insecurity.
