This new enlarged edition combines two collections
previously published in the United States as Kolyma Tales
and Graphite. From the Back Cover. It is estimated that some
three million people died in the Soviet forced-labour camps of
Kolyma, in the north-eastern area of Siberia. Shalamov
himself spent seventeen years there, and in these stories he
vividly captures the lives of ordinary people caught up in
terrible circumstances, their hopes and plans extending no
further than a few hours.

...

Kolyma Tales or Kolyma Stories (Russian: Колымские рассказы,
Kolymskiye rasskazy) is the name given to six collections of
short stories by Russian author Varlam Shalamov, about
labour camp life in the Soviet Union. He began working on
this book in 1954 and continued until 1973.

encountered throughout his very long term of imprisonment.

Amazon.co.uk:Customer reviews: Kolyma Tales

1 Review. This book analyses eleven of Varlam Shalamov's Kolyma Tales from a neo-Formalist perspective. The tales are a testament to Shalamov's seventeen years in Stalin's Gulags, and were written in an attempt to draw attention to this period in Soviet history. Nathaniel Golden has primarily utilised L. M. O'Toole's work *Structure, Style and Interpretation in the Russian Short Story* as the major basis for analysis, but has incorporated many other Formalist and indeed Structuralist methods.

Kolyma Tales - SILO.PUB

Thanks to this new two-volume translation by Donald Rayfield, English speakers now have access to the six collections of stories in the Kolyma Tales in their entirety. (Rayfield has worked directly from the original manuscript, whereas the previous translator, John Glad, relied on edited émigré editions.)
