Me and You and Memento and Fargo also presents a unique vision for the aspiring screenwriter. Å Most screenwriting manuals and guidebooks on the market rely on formulas believed to generate saleable Hollywood films. Å Many writers present a "three-act paradigm" as gospel and proceed to lay down very stringent rules for characterization, plotting, timing of climaxes, and so on, while others who appear to be more open about such rules turn out to be just as inflexible in their advice. Å ...

Me and You and Memento and Fargo: How Independent ...

Within the last twenty-five years, an enormous burst of creative production has emerged from independent filmmakers. From Stranger than Paradise (1984) and Slacker (1991) to Gus Van Sant's Elephant (2003) and Miranda July's Me and You and Everyone We Know (2005), indie cinema has become part of mainstream culture. But what makes these films independent? Is it simply a matter of budget and ...
