The Cavalry of the Empire Memorial, also known as the Cavalry Memorial, is a war memorial in Hyde Park, London. It commemorates the service of cavalry regiments in the First and Second World Wars. It became a Grade II listed building in 1987, and was promoted to Grade II* in November 2014.

Cavalry of the Empire Memorial - Wikipedia

“The Guards Crimean War Memorial,” unveiled in 1861, commemorates the Allied victory in the Crimean War of 1853–56. It was cast in bronze from the cannons captured at the siege of Sevastopol. The sculptor was John Bell. A shift in representation began with the monument to the Crimean War of the 1850s, set up in London in 1861.

Britain’s War Memorials - History of War in England

The Empire Has Collapsed. Paul Craig Roberts. The Saker has written another interesting article in which he gives us the date of the collapse of the AngloZionist or American Empire: January 3, 2020, the day when Washington did not retaliate against Iran for Iran’s retaliation against Washington for murdering General Qasem Soleimani. You can read The Saker’s case and make up your mind ...

No area of our heritage is more poignant than war memorials. They are found everywhere, and link the tragic impact of world wars with local communities across the land. Every community sent people off to fight and work; virtually all suffered losses, and the absence of the British Empire's 1.1 million dead created a powerful need for monuments.

The memorials on the Empire State Plaza honor citizens of New York who have dedicated or given their lives in service to others, and also include a tribute to a special American who meant a great deal to New York State: Dr. Martin Luther King, Jr. Built by the New York State Office of General Services, the memorials commemorate the actions of diverse groups from the community and offer visitors the opportunity to reflect on issues that touch the core of our society.

Memorials | Visit the Empire State Plaza & New York State ...

The Chinese Empire, which lasted from the 221 BC until AD 1912, required predictable forms and means of communication. Documents flowed down from the Emperor to officials, from officials to the Emperor, from one part of the bureaucracy to others, and from the Emperor or his officials to the people. These documents, especially memorials to the throne, were preserved in collections which became more voluminous with each passing dynasty and make the Chinese historical record extraordinarily rich. T
