Why Public Relations Should Play a Role in Your Social ...

Public Relations in its earliest years, the era of Antiquity, acknowledged the importance of public opinion, but their scope was limited to an arm's reach of their publics. Social media has become both a window and a bridge to the public relations practitioners', by enabling them to interconnect the internal objectives of the organization with the constant changing externalities.

The Role Of Social Media in Public Relations

Social Media and Public Relations have been intertwined for a number of years. PR-enabling phenomena such as selfies, Instagram and Snapchat filters, Facebook Live and Periscope, have become completely ingrained into our day-to-day lives.

How Social Media is Shaping the Future of Public Relations

In public relations, social media—those conversational platforms that allow for asynchronous conversations and the sharing of user-generated material using the Web 2.0 environment (Valentini & Kruckeberg, 2012)—have been warmly welcomed because they make it possible to communicate directly with public groups, bypassing the filtering processes of journalists and other gatekeepers .

Is using social media “good” for the public relations ...

In the current market scenario, both media and public relations (PR) have been found to be closely intertwined. But, it doesn't mean that the role of media in public relations is static in any way.

The role of media in public relations

In some ways, social media is tailor-made for public relations. Traditionally, PR has spread information through media outlets such as newspapers, trade publications, and television. But in some ways this gave an unfair advantage to larger companies. If you were a new or small business, this process could be long and drawn out.

14 Social Media and Public Relations Tactics You Need to Know

Social media has infiltrated nearly every industry. Public relations practitioners now have to tweak and change their strategies in order to make sure they engage their audiences in the best way possible.

How social media has changed public relations

Public relations professionals understand the role of media relationships in the industry. By interacting with journalists, media outlets, and influencers on social media, you extend the professional relationship beyond the press release pitch. This increases the chances of gaining media coverage with the right outlets.
