"Saxons, Vikings and Celts" wants to be a hybrid of history, science and memoir. Instead it is a book with an identity crisis as pronounced as anything suffered by the Scottish malcontents who agitate for secession from the UK. That's a shame, because the book has a fine premise and Bryan Sykes is a respected authority in his field.

The Timeline of conflict in Anglo-Saxon Britain is concerned with the period of history from just before the departure of the Roman Army, in the 4th century, to just after the Norman Conquest in the 11th century.. The information is mainly derived from annals and the Venerable Bede.The dates, particularly from the fourth to the late sixth centuries, have very few contemporary sources and are ...

### **Timeline of conflict in Anglo-Saxon Britain - Wikipedia**

The Celts appear to have been the original inhabitants of Western and Central Europe. Germans who invaded Britain in the sixth and seventh centuries were Angles, Saxons, or Jutes. The Vikings who invaded three centuries later were either Norwegian or Danish.
