Art Of Joinery in falkirk | Rated People  
The Art of Joinery was one of his guides, and it's the first how-to woodworking book written in English. I'm a huge fan of Moxon and I've been talking for years about his work with fellow enthusiasts, but since The Mechanick Exercises is out of print and the few copies that show up at auctions or eBay are expensive, most woodworkers haven't had the chance to familiarize themselves with him.
