In *The Liar in Your Life*, psychology professor Robert Feldman, one of the world's leading authorities on deception, draws on his immense body of knowledge to give fresh insights into how and why we lie, how our culture has become increasingly tolerant of deception, the cost it exacts on us, and what to do about it. His work is at once surprising and sobering, full of corrections for common myths and explanations of pervasive oversimplifications.

*The Liar in Your Life: The Way to Truthful Relationships ...*

*The Liar in Your Life* is a book that addresses lying from different aspects. It does talk thoroughly about the forms of lying we're usually accustomed to referring to as lying, but it also addresses other interesting forms of lying which may not be as harmful (Some are even necessary). It's a very interesting book discussing an interesting topic.

### *3 Hard Truths About Liars - The Daily Positive*

For over 47 years of public life, Joe Biden has shown himself to have an irresistible propensity to lie. He has lied to his professors.

### *'Joe Biden is a pathological liar' - Washington Times*

A white liar is the most common type of liar, someone who tells untruths in everyday situations to make life a little easier. These lies are harmless, and sometimes even necessary. For example, complementing your mother's dinner even when you don't love it, or when a friend says "I love your dress!" but they don't really mean it. White lies are a good way to protect one's own feelings along with those of others.
