The Problem Of Political Authority

The eponymous problem of political authority is the question of what the distinction between these cases might be — on what basis, if any, might we justify this difference in treatment between the behavior we consider ethically justified from individual actors versus the power we accord to the state.

Problem of Political Authority: An Examination of the Right to Coerce and the Duty to Obey' is the best book in the genre." I thought this was hard to believe,...

The Problem of Political Authority: An Examination of the ...

Those who believe in political authority need not hold that political authority is unconditional or absolute, nor need they hold that all governments have it. One could hold, for instance, that the state ' s authority is contingent on its respecting basic human rights and allowing citizens a certain level of political participation; thus, tyrannical governments lack authority.
