I'm even considering trading my perfect FT-950 for one of the soon to be available Yaesu FT-891 mobile radios. In the meantime, after 45 years on HF and having owned dozens of HF transceivers of all brands, the small, portable FT-450D with the 300hz CW filter, and other enhancements over the original FT-450, fits my needs very, very well. Both of my FT-450 models have been totally trouble free ...
